

FOR GOD LOVED THE WORLD SO MUCH

CHORUS

For God loved the world so much
That He gave His only Son,
That all who believe in Him
Shall have eternal life. (*Repeat*)

VERSE 1

For God was sad about His world turned bad,
Our sin meant we'd lost Him forever.
While all He made had turned and walked away,
His plan was to lead us to Heaven, Heaven.
Let's give thanks.....

CHORUS

For God loved the world so much....

VERSE 2

And if I'd been the only one to sin,
God's love means He'd still give me Jesus;
He died for me; now everyone can see
Just how much God wanted to save us, save us.
Let's give thanks.....

CHORUS

For God loved the world so much....
