

WE LOOK TO THAT DAY (WHEN OUR LONG JOURNEY ENDS)

VERSE 1

When our long journey ends,
We shall see what God has prepared for us,
Where His light always shines on the streets of gold.
As we gaze round we'll say:
This is beautiful, yes it's wonderful
Then we'll join Angel choirs singing 'round His throne.

CHORUS

So we look to that day when we all stand in Heaven
Praising our Saviour as one with our song.
So let's now, as we'll then, keep our eyes fixed on Jesus,
Lighting our way as we gaze at the Son.

VERSE 2

There we'll share in the joy
Written on His face, filled with love and grace,
As He sees our reward from His sufferings.
Then with joy we'll cry out
"Glory to our God, who has died for us",
As we join Angel choirs praising Heaven's King.

CHORUS

So we look to that day....

BRIDGE

There'll be no more death; there'll be no more pain,
There'll be no more tears;
There'll be only joy everlasting, joy everlasting.
There'll be no more sin; there'll be no more shame
There'll be no more fears;
There'll be only joy for our God is here.

CHORUS

So we look to that day....
